

PHONAK

Audéo EON Sphere

Clarity that speaks for itself.

EON

Hear clearly wherever life takes you

Meet the latest generation of Phonak hearing aids, built for today's challenging listening environments.

Using real-time AI speech-from-noise separation, Phonak Audéo™ EON Sphere hearing aids deliver clarity that moves with you automatically,¹ helping you stay connected wherever life leads.

**Phonak EON — Clarity you hear.
Connection you feel.**

¹ Preuss, M., Ulloa Sanchez, D. (2025). Phonak Audéo R Infinio outperforms competitors for speech in loud noise performance. Phonak Insight retrieved from www.phonak.com/evidence

Clarity that speaks for itself

Redefining what a hearing aid can do for you

Hear the voices that matter most with less listening effort.² Unique, patented AI technology reduces distractions from all around³ in real-time.

Technology that works for you

Forget you're wearing hearing aids. Remember the moments of life. Phonak AI does the heavy lifting, so you don't have to.^{*2,4}

Because every word counts

You're up to 2x more likely to understand every word from any direction with Spheric Speech Clarity.^{**2} This is premium technology designed for real life.

Our most natural sound available⁵

Outdoors or indoors, EON automatically adjusts to different sound environments thanks to Phonak AI.

* Phonak AI activates features and functions that are proven to improve speech understanding and reduce listening effort, such as Spheric Speech Clarity and Speech Enhancer

** With hearing aids using SSC compared to hearing aids using the same settings without SSC

² Wright, A., Kuehnelt, V., Keller, M., Seitz-Paquette, K., Latzel, M. (2024). Spheric Speech Clarity applies DNN signal processing to significantly improve speech understanding from any direction and reduce the listening effort. Phonak Field Study News retrieved from www.phonak.com/evidence

³ Raufer, S., Kohlhauser, P., Jehle, F., Kühnel, V., Preuss, M., Hobi, S. (2024). Spheric Speech Clarity proven to out perform three key competitors for clear speech in noise. Phonak Field Study News retrieved from www.phonak.com/evidence

⁴ Habicht, J. & Schuepbach-Wolf, M. (2024). Speech Enhancer reduces subjective listening effort of speech by up to 45%. Phonak Field Study News retrieved from www.phonak.com/evidence

⁵ Vaisberg, J., Brunner, J., & Ulloa-Sanchez, D. (2026). Hearing confidently in wind: WindBlock 2.0 delivers comfort, natural sound quality and clearer speech. Phonak Field Study News retrieved from www.phonak.com/evidence

Unlimited connections. Seamless listening.

Connect to the sounds that matter

Phonak EON Made For All connectivity lets you stream music, take calls, and connect to Auracast™ broadcast audio directly through your hearing aids. Easily connect your smartphone or other Bluetooth® enabled devices with a few taps and enjoy seamless listening.

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Sonova AG is under license.

The Auracast™ word mark and logos are trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Sonova AG is under license.

Experience the front row with Auracast™ broadcast audio

Auracast™ broadcast audio is found in places like theaters, museums, lecture halls and gyms. It lets you stream performances, tour guidance and announcements directly to your hearing aids.

Joining a broadcast is easy

Scan a QR code with the myPhonak app or use an Auracast™ assistant on a compatible smartphone to stream audio directly to your hearing aids.

Designed to fit your life

Enjoy comfort and convenience with a listening experience that adapts throughout your day. Phonak Audéo EON Sphere hearing aids are designed to fit naturally into your life.

- **Wear all day with ease:** small, lightweight design crafted for comfort
- **Automatic as you move:** adapts to your listening environment as you transition throughout your day
- **Stay powered on the go:** with compact, easy-to-use charging

Trusted by experts, backed by science, chosen by millions worldwide. Enjoy peace of mind for years to come.

A close-up, vertical view of a dark brown, textured, elongated object, possibly a piece of furniture or a decorative item. The object has a central glowing green rectangular light source. The background consists of vertical, slightly wavy lines in a warm, golden-brown color, creating a textured, wood-like appearance. The lighting is soft and focused on the central light source, casting subtle shadows and highlighting the texture of the object and the background.

Colors

- ## Chargers

Includes an integrated battery for charging on the go

Compact charger with magnetic lid and device retention

Fully charged, Audéo EON Sphere provides up to 38 hours of battery life*

* The maximum battery runtime is determined by battery condition, hearing loss, environmental sound classification, streaming usage and activated feature set.

Managing your hearing just got easier

Take control of your hearing experience right from your smartphone with the myPhonak app.

- Adjust volume and save personalized programs
- Easily connect to Auracast™ broadcast audio
- Locate your hearing aids easily with the Find My Hearing Aids feature
- Designed for simplicity and ease of use with an accessible, user-friendly experience for everyone

At Phonak, we see technology as an enabler of life, not the focus of it.

Since 1947, we have advanced hearing technology to help people stay connected to what matters most: the people, moments and experiences that shape our lives.

Today, we bring together Swiss-engineered performance, a seamless connected hearing experience and purposeful design to create hearing solutions built for where life happens.

So, you can stay confident, connected and fully in it.

Life is on.
Phonak is made for it.
