

Naída S I

The essentials
of power hearing

PHONAK

life is on

The power and performance of Naída hearing aids have helped thousands of users with significant hearing loss rediscover all the facets of life's rich soundscapes.

Joining in everyday conversations and enjoying your favorite social activities with better hearing and understanding is now more affordable than ever before.

Naída S I benefits

Hear the full spectrum of life's sounds

Enjoy the joyful laughter of children playing. The sweet melodies of birds singing. The ability to hear and understand even high-pitched voices clearly. SoundRecover, a Phonak-exclusive technology, helps you to enjoy the full spectrum of life's sounds again.

Relaxed conversations even in noisy environments

Actively participate in conversations inside a restaurant. Hear fellow passengers in a car or on a train. Innovative Phonak UltraZoom Essential technology can help you to understand speech more clearly, even in background noise.

Phonak Naída S I SP

Phonak Naída S I UP

No whistling

Have you experienced the annoying whistling sound that hearing aids can produce in certain situations? Thanks to Phonak WhistleBlock this is a problem of the past.

Live life freely come rain or shine

Jogging in the rain. Relaxing at the beach. Enjoying a good workout at the gym. With its special water- and dust-resistant housing the Naída S I provides optimal protection and reliability, allowing freedom to enjoy all your favorite activities.

Slim design meets power performance

The Naída S I range includes two discreet behind-the-ear models, providing affordable Spice+ power performance for people with significant hearing loss.

Phonak has been offering Swiss quality innovation for more than 60 years. The Naída S portfolio includes an attractive choice of models for every budget, lifestyle and personal preference:

Price level	Models
Premium	Naida S IX
Advanced	Naida S V
Standard	Naida S III
Essential	Naida S I

Life is on

We are sensitive to the needs of everyone who depends on our knowledge, ideas and care. And by creatively challenging the limits of technology we develop innovations that help people hear, understand and experience more of life's rich soundscape.

Interact freely. Communicate with confidence. Live without limits.
Life is on.
