Naída S III

**Believe in the power
to hear more**

Best value in power hearing delight

Naída S III is the new power solution.

Naída S III offers great value for people with significant hearing loss. To add to your quality of life by choosing audibility, performance, durability and design, read on to find out more.

More hearing
SoundRecover makes high pitched sounds, which are normally difficult to hear, easier to hear. Annoying whistling is eliminated thanks to powerful WhistleBlock technology.

More freedom no matter where or what

Notable dependability
Naída S III combines performance with great looks and water resistance for dependability.

More connectivity
With Phonak wireless accessories, multimedia entertainment, communication and work are much more fun. TV, telephone, MP3 player, GPS and computers can be enjoyed effortlessly.

Pairing the Phonak TVLink with your Naída S III brings TV sound directly to your ears, so you and your family can adjust the volume separately and enjoy watching TV together.

Best value for performance

Adapting to changing environments	
Enjoy seamless automatic adaptation.	SoundFlow Standard
Reduce annoying whistling.	WhistleBlock

Improved hearing in noise

Phonak was first to introduce zoom technology to enhance hearing in challenging hearing situations. Naída S III makes zooming even more effective thanks to further improvements in zoom technology.

Naída S III zoom technology:

UltraZoom Standard
In noisy situations with several people facing you, UltraZoom automatically zooms in on their voices. Noise from the side and back is reduced.

Life is on

We are sensitive to the needs of everyone who depends on our knowledge, ideas and care. And by creatively challenging the limits of technology, we develop innovations that help people hear, understand and experience more of life's rich soundscapes.

Interact freely. Communicate with confidence. Live without limit. Life is on.
