

Astonishingly small

If "itsy-bitsy" didn't sound silly, that could have been the name of our new hearing aid. It's ultra-small, feather light and super durable. Introducing Audéo MINI the smallest Phonak ever.

More Hearing – experience the full spectrum of sounds

Audéo MINI expands your hearing so you can enjoy the full spectrum of sounds – no matter what your degree of hearing loss. With the smallest hearing aid from Phonak you also profit from state-of-the-art technology that improves speech clarity and reduces background noise for best possible understanding.

Smallest Size – experience ultimate discretion

Audéo MINI not only masters even the most challenging hearing situations, it also offers you ultimate discretion. Audéo MINI is among the world's smallest hearing aids – it is feather light for maximum wearing comfort. Audéo MINI is both tiny and stylish, giving you a choice of different subtle and fashionable colors.

Easy Use – experience easy handling

Audéo MINI is joyfully easy to handle. Full of sophisticated features, the easy-to-use hearing instrument still keeps high-tech simple – a fully automatic system that perfectly suits a life on the go. You can just wear it and forget it.

Life is on

We are sensitive to the needs of everyone who depends on our knowledge, ideas and care. And by creatively challenging the limits of technology, we develop innovations that help people hear, understand and experience more of life's rich soundscapes.

Interact freely. Communicate with confidence. Live without limit. Life is on.

PHONAK life is on

More Hearing

Get back all the sounds of life

Exclusive Phonak SoundRecover technology brings back all the subtle sounds that complete life's rich soundscapes – from the sweet whispers of a loved one to the pleasant sound of birds singing. Most importantly, SoundRecover allows you to follow conversations clearly and steadily. No other system can make sure you hear even the most quiet, subtle speech sounds – thanks to SoundRecover you won't miss a thing.

Understand better – even in challenging situations

Its intelligently designed shape enhances the ability of Audéo MINI to automatically zoom in on speech and reduce background noise. This way, even conversations in noisy restaurants or windy streets are easy to understand.

- Hear even the most subtle sounds
- Enjoy conversations with family and friends
- Understand better in background noise

Smallest Size

Ultimate discretion

Audéo MINI is the smallest Phonak ever. It is virtually invisible behind your ear – and with its ultra-light weight it is also extremely comfortable. If you are looking for maximum discretion, look no further.

Fashionable style

Audéo MINI is not only small but also impresses with a futuristic, stylish design. What's more, Audéo MINI is available in different subtle and attractive colors – so you can choose a look to match your individual lifestyle.

- Ultra-small size
- Comfortable and invisible when worn
- Suits your style

Easy use

Totally hassle free

While many other high-tech devices may be complex and demanding, Audéo MINI is joyfully easy to handle and totally hassle-free. In fact, you can just wear it and then forget it. Fully automatic, Audéo MINI perfectly suits modern lifestyles and brings a welcome simplicity to an already complex world.

Cutting-edge technology

The automatic functionality of Audéo MINI is enabled by the industry's fastest, highest-capacity audio-processing microchip. With this unrivalled technology, Audéo MINI ensures best performance with features and options to guarantee clarity and comfort, no matter where your busy life takes you.

- Fully automatic
- Technologically advanced
- Conveniently hassle-free
